

Leopold School Song

We've got the spirit of the Timberwolves,
We've got the spirit of the land and sky,
We've got the spirit of the kids in school
Who keep on learning 'till they're ready to fly.

We love the prairie that our school is on,
We love the water, rivers, lakes and ponds.
We are the children of Leopold who make a
difference to the young and old.

Timberwolves, Timberwolves, we're the Best!
