Aldo Leopold Elementary is committed to providing a high-quality, equitable education for every student we serve. As the largest elementary school in MMSD, we support approximately 675 students from Madison and Fitchburg, with nearly 70% qualifying for free or reduced lunch. As a proud Community School, Leopold offers dual language immersion, music programming, a school garden, and strong student supports. Our community-centered approach includes family engagement initiatives, culturally responsive programming, workshops, and a food pantry to help meet the needs of the whole child. Through the partnership of dedicated staff, families, and community supporters, we strive to create an inclusive environment where students grow academically, socially, and emotionally.
