Join Us for Tito Fest 2026 – Saturday, May 16!

Leopold Elementary families and neighbors are invited to celebrate Tito Fest 2026 — a joyful, inclusive celebration of our school and community. As one of the largest elementary schools in MMSD, serving approximately 675 students, Leopold reflects the vibrant diversity and resilience of our community. A significant percentage of our families qualify for free and reduced lunch, which makes accessible, school-based events especially meaningful. Tito Fest brings together hundreds of students, families, and neighbors for a welcoming, schoolwide celebration to close out the year together.

What is Tito Fest?

Tito Fest is Leopold Elementary's annual end-of-year celebration — a day centered on connection, school pride, and community joy.

Unlike many school carnivals, Tito Fest is completely FREE for all families.

By removing cost as a barrier, we ensure every student and every family has the opportunity to participate fully. From games and activities to entertainment and shared experiences, Tito Fest creates meaningful opportunities for families to connect and celebrate another successful school year.

Why Sponsor Tito Fest?

Your sponsorship:

- Demonstrates your commitment to local families and public education
- Provides visibility for your business within the Madison community

Because we keep Tito Fest free for families, community sponsorships are essential to making the event possible.
