

Opportunities To Help Leopold Elementary School

Snacks for Students

For young children, planned snacks are not just a good idea, they're essential. Snacks are opportunities to include more nutrients in the daily diet like iron, calcium and vitamins. Snacks are not included in a school's budget, however, so there is always a need for outside donations to help keep the students fed throughout the day to ensure they can get the most out of their school day.

CLASSROOM SUPPLIES

Basic classroom supplies are always in high demand, with teachers often footing the cost of these supplies out of their own pocket. Help reduce the burden by sending some their way! Supplies will be given to those most in need, or specify a teacher as a gift message.
