

**LEOPOLD ELEMENTARY SCHOOL PARENT/FACULTY ORGANIZATION (PFO)  
STEM NIGHT SPONSORSHIP FORM**

Leopold Elementary School, part of the Madison Metropolitan School District, is the largest elementary school in the district and a designated community school. Over 60% of our families are low-income, which means that many students face limited opportunities outside of school. To address this gap, the PFO initiated **STEM Night**, a special event that provides our students and their families with hands-on experiences in the fields of Science, Technology, Engineering, and Math. By hosting the event at the school, we ensure accessibility for families, offering them a chance to explore the exciting world of STEM. Our goal is to ignite a passion for these subjects that may inspire students to pursue further exploration and potential career paths in STEM.

**Our sponsors play a crucial role in expanding the opportunities we offer and ensuring that STEM Night continues to thrive. We invite you to partner with us by considering one of the following sponsorship options:**

Option	Details	Included in Sponsorship
\$100 Friend of STEM	Support the event with a general monetary donation that helps cover essential costs.	Acknowledgment on social media and in the event program as a "Friend of STEM."
\$250 Station Sponsor	Above support, plus help build out future STEM stations/endeavors, both at STEM Night and in the classrooms.	Above, plus a section of STEM Night will be designated with signage as sponsored by your company. Any materials provided for the company can be placed in this section for viewing/handing out.
\$500+ STEM Partner	Above support, plus create potential to bring in outside vendors/experiences to Leopold to showcase STEM to the next level.	Everything in "Friend of STEM" plus signage throughout the event as a sponsor of the entire STEM Night.
Host a Station	Run your own station at STEM Night. Have a volunteer set up the station and interact with Leopold families as they engage the station.	Any information that incorporates your company into STEM can be displayed at the station as well, along with any handouts.
In Kind Donation	Contribute to STEM Night by providing necessary supplies, equipment, or expert personnel to enhance the event's offerings. Upgrading equipment? We'll take your outgoing STEM items!	Signage to highlight who donated the material at the station where material is used.
Provide STEM handouts	Provide the PFO with handouts/materials related to STEM that can be utilized at STEM Night	Handouts will be provided at STEM Night; any company logos, etc. can be incorporated into any material.

**LEOPOLD ELEMENTARY SCHOOL PARENT/FACULTY ORGANIZATION (PFO)  
STEM NIGHT SPONSORSHIP FORM**

Please consider becoming a sponsor and making a meaningful impact on the Leopold Community by supporting our STEM Night. By introducing students to the amazing world of Science, Technology, Engineering, and Math, you'll not only be inspiring young minds but also potentially nurturing your own future workforce. Thank you for your consideration and commitment to enriching our students' educational experiences.
